

Name: Mabelette Bermack

Grade/ Age of learner: 20-years-old

Subject/Topic: Simple greeting

Time allotted: 4-10 minutes

| Time | Activity |
|------|---|
| 1 | <p>Starting Instruction</p> <p>Hook: You only have one chance to make a good impression. That impression usually begins with a greeting.</p> <p>Goals:</p> <ul style="list-style-type: none">#1. Learn greeting#2. Learn some follow-up to greeting <p>Pre-Assessment: Share the greetings you know and what you know of when to use them.</p> |
| 2-3 | <p>Building Instruction-Content Delivery</p> <p>Inquiry prompt: Do greetings change depending on when you make them, the circumstances and whom you are addressing?</p> <p>Teacher-directed instruction:</p> <ul style="list-style-type: none">1) Basic greeting: “Hi”(casual)“Hello”(more formal). “Hello, how are you?”(conversational), “Hello, my name is”(introduction)2) Greeting based on time of day: “Good morning”, “Good afternoon”, “Good evening”. <p>Student involved modeling: How do you greet someone you encounter between 9:00am and 11: 30am, Noon-5pm, 6pm-11pm. How do you greet a friend? How do you greet someone you have just met? Click here to enter text.</p> |
| 3 | <p>Applying Instruction</p> <p>Student practice: Let’s practice. Draw cards with scenarios on them and ask the students how they would greet each party.</p> <p>Student self-assessment:</p> <p>Ask the students to assess how they did. Also, discuss what they knew coming in and if they learned what they expected to learn from the lesson.</p> |
